

TECHNICAL DATA SHEET**POLISH KP 92 CREAM****SPECIAL POWDER TO POLISH MARBLES AND LIMESTONE****Instruction to use:**

Spread a small quantity of POLISH on the floor and add a little water. Using the Discolux or white disc, make a "yogurt-like" cream and work until the floor becomes lucid. If you need to, add another little bit of POLISH and water. The polishing product must always be like yogurt. At the end of the job, wash the floor thoroughly with the clean white disc. When the floor is dry, polish with a dry white disc.

WARNING : Do not leave the polish cream on the floor without washing the surplus powder.

**ONLY FOR PROFESSIONAL USE
TOXIC - DO NOT INGEST**

R21/22: Noxious when in contact with the skin and when

ingested.

S24/25: Avoid contact with the skin and eyes.

S26: In case of contact with the skin, wash immediately with plenty of water.

Avoid contamination with acid. The product must be used according to instruction with water in order to avoid the powder causing irritation. Do not use without water.

DO NOT CAST AWAY AFTER USING.
